

Architectural Insulated Metal Composite Panels

Provider number)
J061

(Program
number)
CAS200

(Program title)
Architectural Insulated Metal Composite Panels

(Learning Units) **1.00**

(Type of
Program) **On-going**

HSW credit? **Yes**

Description

- 1. Types of insulated metal panels**
- 2. Criteria that defines a complete wall system**
- 3. How insulated metal composite panels meet the criteria**
- 4. Compare wall systems performance and costs**
- 5. Determine when an insulated composite wall is the best solution**

(Human Resources Used) **In-house expert**

(Material Resources Used) **Product sample, PowerPoint, Case study**
